13 June 2016

Wally Gaynor, MD of the Club Travel Group, is pleased to announce the appointment of three new directors to the board of Club Travel Corporate. Mohammed Jogee will be serving as the Director of Sales and Marketing, Lindi Chiya as the Director of Account Management and Sharon Nash as the Director of Travel Operations, with immediate effect.

“We congratulate Lindi, Sharon and Mohammed on their appointments and wish them every success in their new roles. They have our full support and we’re confident that under their guidance and expertise, Club Travel Corporate will continue to strive for greater heights and achievements,” said Brett Hendricks, General Manager Thebe Tourism Group & Club Travel Board Director.

The trio brings to the table a wealth of experience and expertise.

“It gives me the opportunity to not only provide leadership to my team, but also create new and innovative ways to deliver value to our customers and our suppliers through collaboration and strategic focus on our key outcomes. These include cost savings for our customers, provision of value and outstanding customer service, and driving profitability for our business”, said Lindi Chiya on the personal and professional impact of this appointment.

“Success breeds success” is a motto Mohammed Jogee strongly believes in. “Our goal is to be ranked within the top 3 TMC’s in South Africa based on turnover in the next few years. Having enjoyed tremendous growth in various segments of the market in the past 18 months, Club Travel Corporate has been re-ignited”, he continued.

Club Travel looks forward to the positive impact these appointments will have on both the staff and clients of Club Travel Corporate.
