CLUB TRAVEL CELEBRATES HERITAGE DAY 2014

Club Travel celebrated Heritage Day 2014 on Friday (26 September), by pulling out all the stops to showcase the varied and diverse cultures represented by all the staff at our Cape Town head office.

Each department had a different theme to which they dressed up, decorated their desks and prepared meals to. The staff went all out, by dressing up in colourful traditional wear and preparing delicious delicacies. The “Rainbow Nation” celebration impressed with dishes ranging from Indian curries & naan bread, Malay breyani and chilly bites to local gatsby’s and boerewors rolls.

The Club Travel Directors were given the difficult task of judging the food, displays and costumes.

“This is one of the hardest things I have ever had to do... choose a winner”, said a visibly overwhelmed, but elated Wally Gaynor, Club Travel’s Managing Director.

As they made their way from one department to the next, they learnt about the various cultures, cuisines and traditions. Some Islamic gestures even moved our Directors to tears. Prizes were given for the best presentations overall, yet the atmosphere was so electric, everyone felt like winners.

“I feel so incredibly proud to be part of a company filled with employees with so much passion for not only our different cultures, but also respect and love for each other,” said Minette Fourie, Club Travel Marketing Team Leader.

This spectacular event was certainly a massive success, proving that our employees truly live our DNA by ‘living in the moment’ and celebrating each other’s proud heritage.
