

GlobalStar Travel Management adds 3 new Partners in Africa.

GlobalStar has increased its presence in Africa with the addition of 3 new Partners. GlobalStar recently signed agreements for dedicated GlobalStar representation in Uganda, Mauritania and Zambia.

In Uganda GlobalStar has partnered with the company Simba Travelcare. The company ranks 3rd in Corporate Travel and is connected to the Galileo GDS. Simba Travelcare provides the full range of Corporate Travel services through 3 offices in Uganda.

In Mauritania GlobalStar has partnered with MTS Travel which is the market leader in Mauritania. The company employs staff speaking Arabic, French, English and Chinese in order to service their broad international client base. MTS Travel is connected to the Amadeus GDS and provides the full range of Corporate Travel Services in Mauritania.

In Zambia GlobalStar has partnered with the company Mukwa Travel which ranks 5th in the Travel Market in Zambia. The company is connected to the Galileo GDS and provides a full service configuration to their corporate clients.

With the addition of these 3 new Partners to the GlobalStar network GlobalStar currently has dedicated representation in 9 countries in the African Continent; South Africa, Kenya, Nigeria, Uganda, Mauritania, Zambia, Egypt, Angola and Tanzania.

Mark van Iersel – Executive Director Partner Recruitment at GlobalStar comments: “We are tremendously excited about the addition of these 3 new Partners in Africa. The synergy between African partners is significant in that each is owned, managed and operated by entrepreneurs representing local expertise, strength, integrity and commitment to serving corporate clients with excellence. We have seen a substantial increase in consolidation demands from our customers in the Energy sector for professional Business Travel agents in Africa hence we have researched the market in depth resulting in these new Partners. We now can offer our clients in-country Corporate Travel Services of the highest standards.”
