CLUB TRAVEL WINS AT GLOBALSTAR CONFERENCE

Collin Austen, Club Travel's Executive Account Manager recently attended GlobalStar's 13th Annual Conference which was held in Montreal, Canada in April 2015. The event was well attended by owners of network companies including a number of suppliers.

The agenda covered a number of pertinent issues including Global Account Management, responding to a global RFP, optimising supplier agreements and data consolidation to mention a few. Those who attended the event benefitted from networking with partner companies, as they discussed the challenges they face as well as proposing solutions.

FareStar is GlobalStar's ground-breaking tool, which allows travel consultants to search their entire global airfare database with fares from any country and on every GDS. Therefore, we are able to offer our clients the benefits of a wider selection of seat inventory, measurable savings and access better fare options.
