## **WAVES FOR CHANGE HOSTS CLUB TRAVEL**

Club Travel's Directors and Managers, along with their families, gathered at Muizenberg Beach on Sunday, 01 February 2015 to experience the 'Waves for Change' programme that's been 'making waves' on both local and international front. The teambuilding initiative was followed by a cultural exchange over lunch in the Masipumelela informal settlement.

Tim Conibear, Programme Director of 'Waves For Change', aims to turn previously disused township beaches into hubs for skills training and social justice. The organisation trains local community members and equip them with surfing skills as well as provide programmes where vulnerable youth receive social, health and educational support.

"We are thrilled to be in close partnership with the 'Waves For Change' Organisation and we are honoured to be able to do the official hand-over of the funds raised at our JDI Golf Day event, in the latter part of last year." said Club Travel FD, Gary Mulder. The event raised R108 975 for the organisation, which funded their container "office" in Muizenberg.
